Amanda Nazario, MS, RDN

# Disclaimer

At SDSU Dining, our team is committed to clearly identifying our menu items with respect to:

- Their nutritional information.
- Relevant dietary considerations such as whether the items are gluten-friendly, vegan, vegetarian, etc.
- Their ingredients which may cause allergic reactions.

Our team undergoes regular training to ensure accurate labeling and proper food preparation methods aimed at minimizing cross-contact risks. Even with us employing such labelling and food preparation methods, however, some degree of cross-contact is unavoidable. Please note that our dining centers are not certified allergy-free or gluten-free, as some items served may contain allergens. Menu items from our third-party dining partners may have different allergen management practices. SDSU Dining does not design the menus of any of our third-party dining partners and shares them with guests for informational purposes only. Consequently, Aztec Shops, Ltd. and SDSU Dining accept no liability for menu items from our third-party dining partners, cannot independently validate any nutritional information provided by our third-party dining partners, and cannot guarantee that any menu items prepared by our third-party dining partners are free from allergens or safe from cross-contact. Guests should contact each third-party venue directly with any relevant nutritional and allergen-related questions. For additional questions about building a personal meal program focused on specific dietary needs and preferences, we strongly recommend scheduling a meeting with our registered dietitian, Amanda Nazario ([aashbynazario@sdsu.edu](mailto:aashbynazario@sdsu.edu)).
